Hi there Richard

WOW!

Thank you for all the incredible feedback, well-wishes and general comments following last week's PeoplEmail. It was the biggest response ever - and I feel absolutely honoured to know that there are so many good hearted people out there receiving these emails!

I wanted to send out something different this week - so I've found something special that will probably keep you busy for a while.

Attitude Media have put "**Life Changing Advice from People You Should Know**" by Positive Press publisher John F. Groom, online, and it's absolutely free at
<http://www.attitudemedia.com/lcaonline/1>

Life Changing Advice includes 75 favorite quotes, along with a short biography of the person behind each quote, including their background and accomplishments, as well as some of the obstacles they overcame.

Life Changing Advice can change the way you view many aspects of your life: happiness, investing, hope, making a difference, suspicions, creativity and money, regrets, success, religion, dreams, confronting fear, leadership, mistakes, and 63 other topics.

Online and free at <http://www.attitudemedia.com/lcaonline/1>

Enjoy!

And I'm just going to take it as easy as I can in preparation for hospital this Wednesday.

"True Happiness in life isn't having what you want - but wanting what you have"!

I'll be back soon - meanwhile

Enjoy the Life Changing Advice series, and keep laughing as often as possible!
